# Heavy Duty Road & Pedestrian Trench Cover

This Heavy Duty Road & Pedestrian Trench Cover is the first of its kind; a blow moulded trench cover designed specifically for utility and highway contractors.

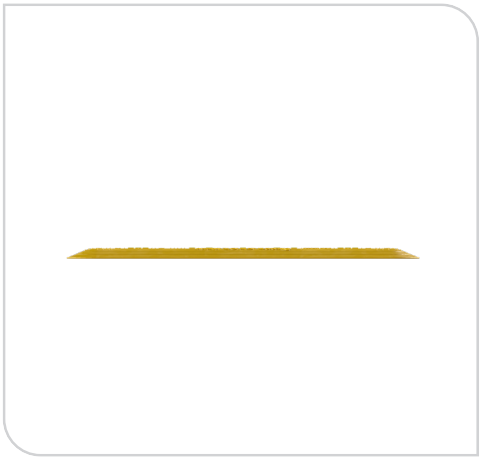

Manufactured in the UK and made from 100% high-density polyethylene (HDPE), it combines lightweight handling with robust performance. Reinforced with high-strength internal steel bars, it delivers outstanding durability and can withstand loads of over 400kg, making it ideal for covering open trenches and pedestrian pathways.

## Key Features

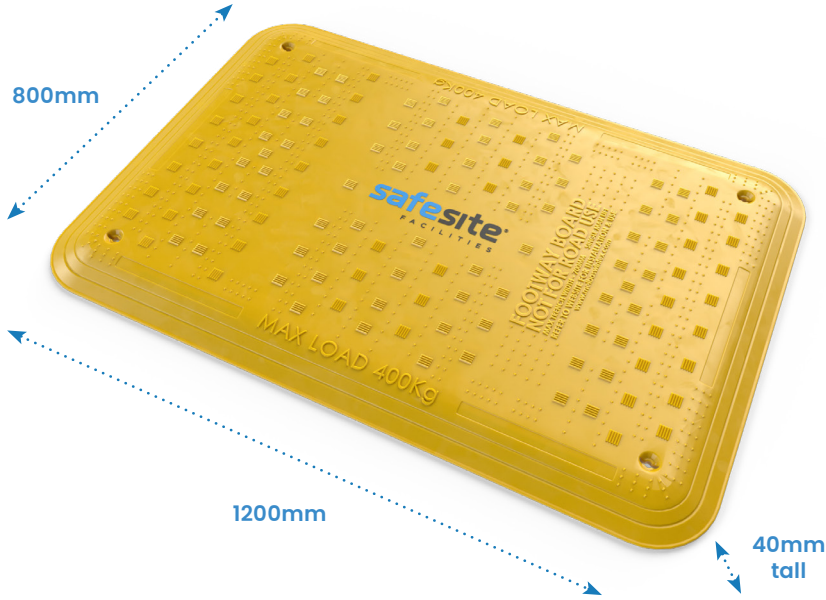

- First Blow Moulded Trench Cover on the Market
- Designed & Manufactured in the UK
- High Impact Resistance – Will not shatter
- 100% Recyclable – Made from HDPE
- Slip & Trip Resistant – Anti-slip surface with anti-trip edges
- Single-Man Lift – Lightweight and easy to handle

High impact resistance & Anti-Slip

40mm Tall & Max Load 400kg
