

SSF GRAFFITI REMOVAL

Overview

Safe Site Facilities trained specialists offer a fast response graffiti removal service to rid your home and property of unsightly graffiti swiftly and safely. A plague on modern society, illegal graffiti is not only antisocial but can have a negative impact on an area. When left in place, graffiti often encourages further graffiti, the illegal dumping of rubbish, reduces property prices and increases the fear of crime.

Cleaned in a matter of hours

All traces removed and area left clean

Able to eradicate graffiti from all common surfaces including brick walls, stone walls, glass, Perspex, wooden or metal surfaces.

Helping to ensure our neighbourhoods remain clean and safe places we can be proud to live in.

We aim to eliminate all graffiti quickly and effectively without causing damage to surfaces, leaving behind no markings or shadows.
