No-Waiting Cones (2 Piece)

Ensure clear traffic control and effective parking enforcement with the No-Waiting Cone (2 Piece) a high-performance traffic safety solution designed for durability, visibility, and sustainability.

Manufactured from fully recyclable, impact-resistant plastic, this cone is built to withstand the demands of frequent outdoor use in all weather conditions. The cone features a highly reflective No Waiting symbol on all three sides for enhanced 360-degree visibility – day or night.

The No-Waiting Cone (2 Piece) is a cost-effective, highly visible, and custom-brandable traffic control solution, perfect for businesses and authorities looking to improve safety while supporting sustainable practices.

Key Features

- Made from 100% recyclable materials
- Environmentally friendly and sustainable
- High-reflective 'No Waiting' symbol on all sides for maximum visibility
- Easy stacking design for compact storage and quick deployment
- Dual branding: top can be printed above and below the No Waiting symbol
- Yellow/Black as standard; other colours available on request
- Complies with BSEN13422 standards

No Waiting 2 Piece Detached
