Vehicle Mesh Access Gates

Our Heras fencing-compatible vehicle gate provides a secure and convenient entryway to your temporary site and ensures the integrity and security of your perimeter is always maintained. A sliding bolt which can be fastened with a padlock provides an additional security measure.

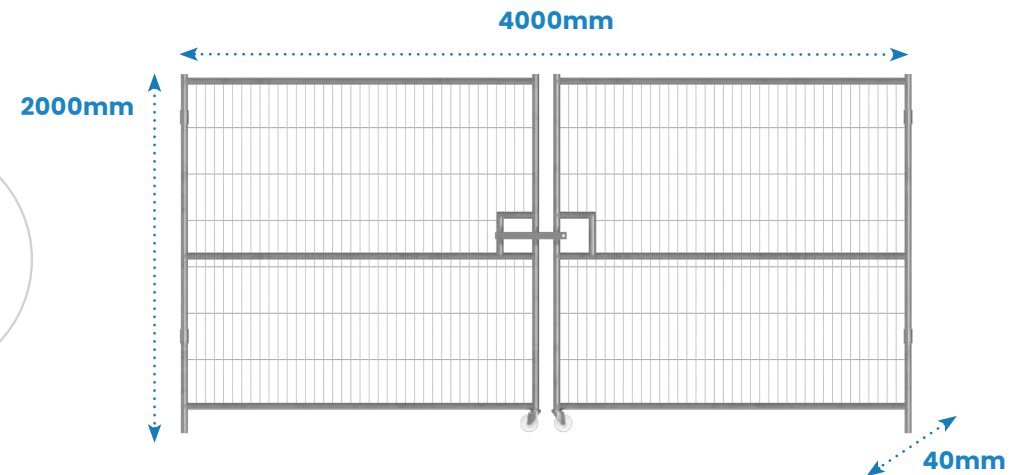

Though relatively lightweight, moving fencing panels when gaining access to a site isn't especially convenient. Available in either an anti-climb galvanised steel mesh or heavy duty 2 inch mesh.

We can provide from 4m to 7m wide vehicle access gates depending on your sites and vehicle access needs. We also can provide any of these sizes with either a standard 2m or 2.4m high gate for additional security.

Key Features

- Ideal for construction site access
- Suitable for high-traffic pedestrian access points
- Anti-climb or heavy duty mesh options
- Available in galvanised or white powder-coated finishes
- Options for 4-7m wide gates

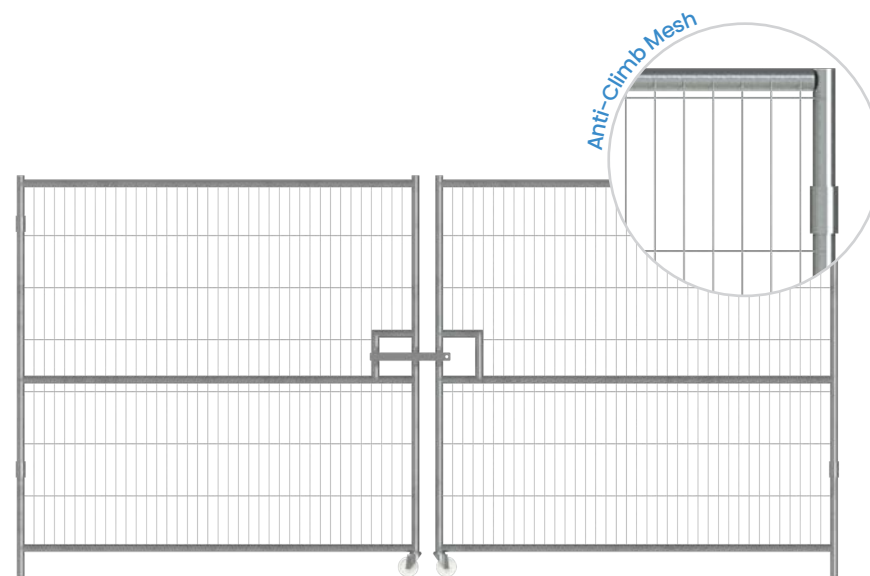

Description	Size (mm)	Weight (kg)
TFS100320 – 4m* Anti-Climb 2m High Vehicle Gate – Galv	H2000 x W4000 x D40	28
WFS152070 – 4m* Anti-Climb 2m High Vehicle Gate – White	H2000 x W4000 x D40	28
TFS100400 – 4m* Heavy Duty 2" Mesh 2m High Vehicle Gate – Galv	H2000 x W4000 x D40	32
WFS152070 – 4m* Heavy Duty 2" Mesh 2m High Vehicle Gate – White	H2000 x W4000 x D40	28

*Additional gate widths available. See further pages in this spec

Anti-Climb Vehicle Gate Options

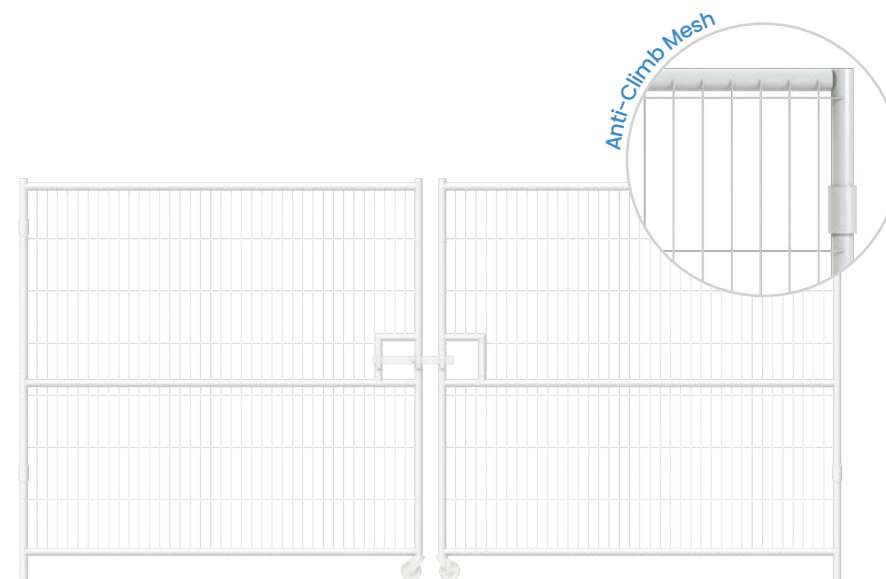

Anti-Climb Vehicle Gate (Galv) 2m High

Description	Size (mm)	Weight (kg)
TFSI00320 - 4m Anti-Climb 2m High Vehicle Gate	H2000 x W4000 x D40	28
TFSI00300 - 4.2m Anti-Climb 2m High Vehicle Gate	H2000 x W5000 x D40	-
TFSI00330 - 5m Anti-Climb 2m High Vehicle Gate	H2000 x W5000 x D40	32
TFSI00340 - 6m Anti-Climb 2m High Vehicle Gate	H2000 x W6000 x D40	37
TFSI00350 - 7m Anti-Climb 2m High Vehicle Gate	H2000 x W7000 x D40	41

Anti-Climb Vehicle Gate (White) 2m High

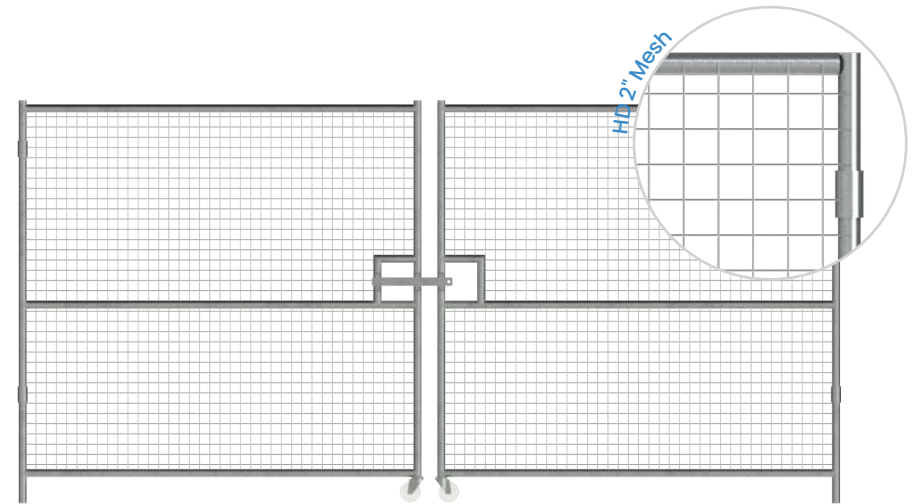

Description	Size (mm)	Weight (kg)
WFSI52070 - 4m Anti-Climb 2m High Vehicle Gate	H2000 x W4000 x D40	28
WFSI52100 - 5m Anti-Climb 2m High Vehicle Gate	H2000 x W5000 x D40	32
WFSI52130 - 6m Anti-Climb 2m High Vehicle Gate	H2000 x W6000 x D40	37
WFSI52160 - 7m Anti-Climb 2m High Vehicle Gate	H2000 x W7000 x D40	41

HD 2" Mesh Vehicle Gate Options

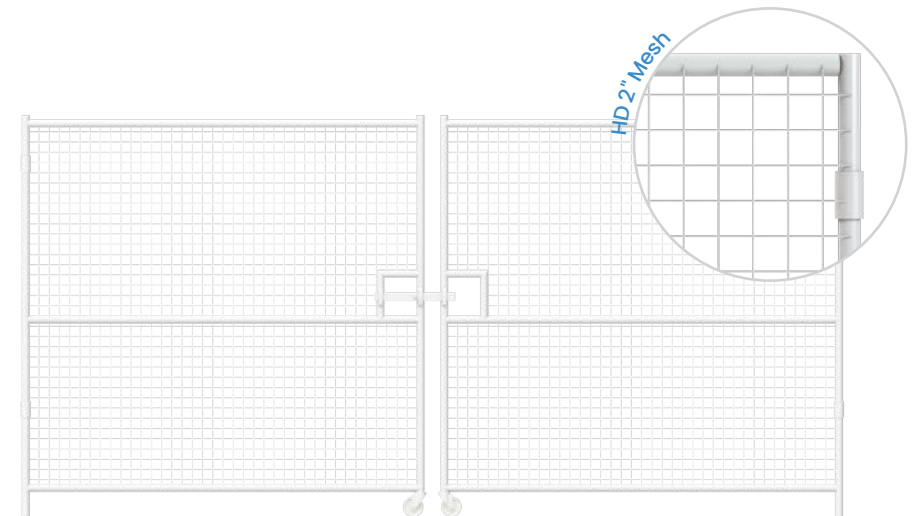

HD 2" Mesh Anti-Climb Vehicle Gate (Galv) 2m High

Description	Size (mm)	Weight (kg)
TFSI00400 - 4m HD 2m High Vehicle Gate	H2000 x W4000 x D40	32
TFSI00410 - 5m HD 2m High Vehicle Gate	H2000 x W5000 x D40	38
TFSI00420 - 6m HD 2m High Vehicle Gate	H2000 x W6000 x D40	43
TFSI00430 - 7m HD 2m High Vehicle Gate	H2000 x W7000 x D40	49

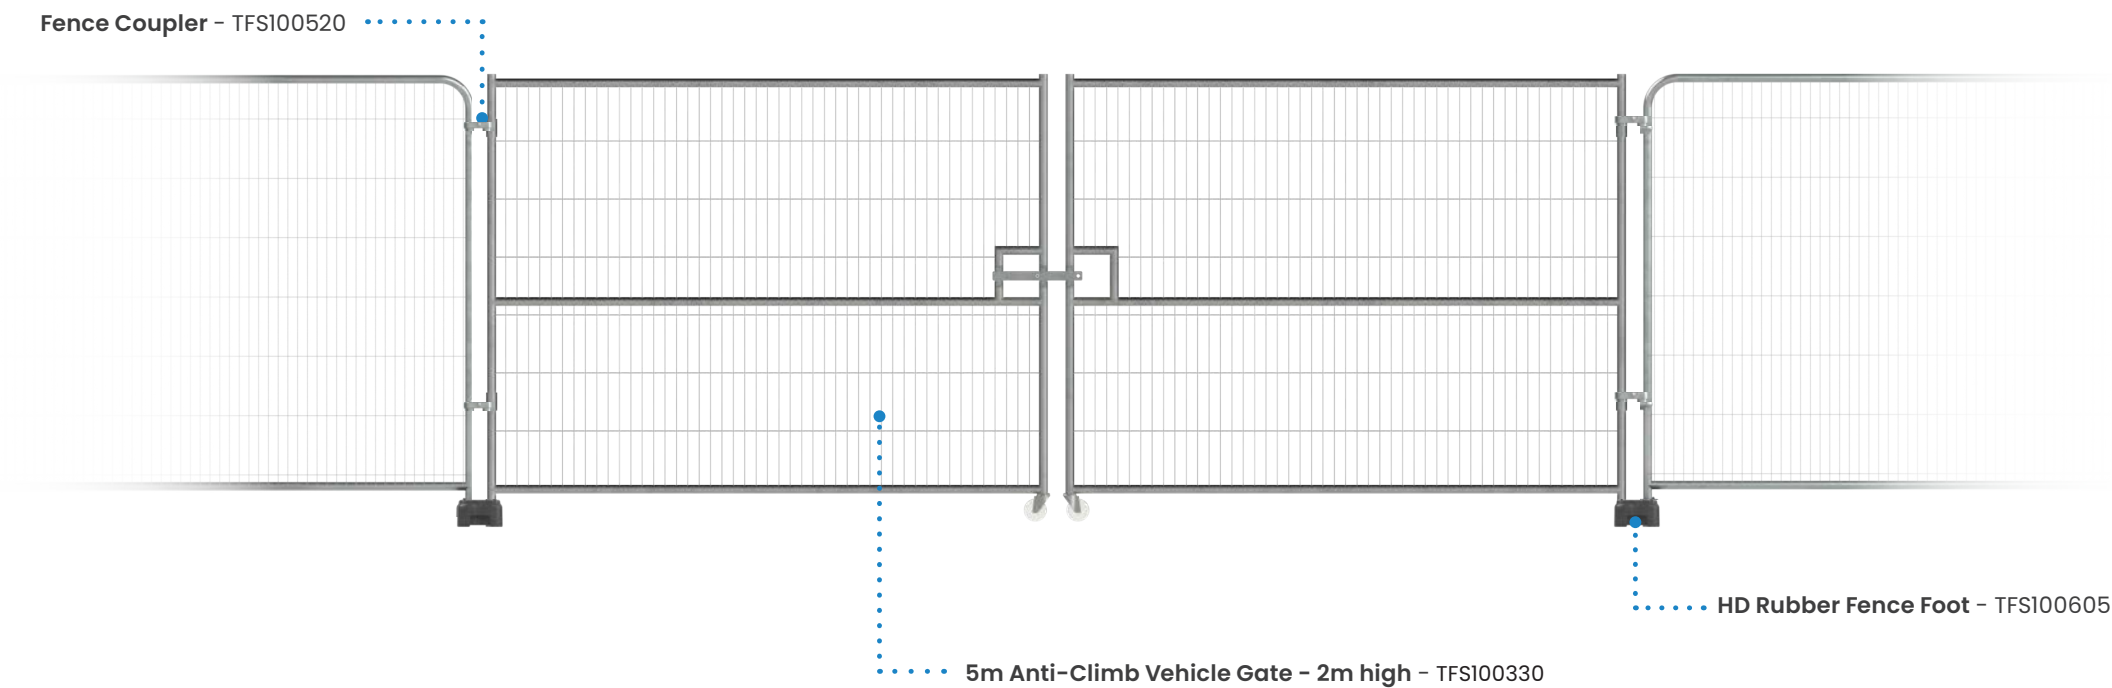

HD 2" Mesh Anti-Climb Vehicle Gate (White) 2m High

Description	Size (mm)	Weight (kg)
WFSI52080 - 4m 2m High Vehicle Gate	H2000 x W4000 x D40	32
WFSI52110 - 5m 2m High Vehicle Gate	H2000 x W5000 x D40	38
WFSI52140 - 6m 2m High Vehicle Gate	H2000 x W6000 x D40	43
WFSI52170 - 7m 2m High Vehicle Gate	H2000 x W7000 x D40	49

Temporary Fence Gate Example Setup

Item Needed	Code	Qty.
Mesh Anti-Climb Vehicle Gate - Galv - 2m High	TFS100330	1
HD/Z Gripper Fence Coupler	TFS100520	4
HD Rubber Fence Foot	TFS100605	2

Steel Hoarding Vehicle Access Gates

Our steel hoarding vehicle gate provides a strong, secure access point that integrates seamlessly with temporary steel hoarding systems. Constructed from solid steel, it offers enhanced durability, privacy, and security compared to mesh alternatives, making it ideal for high security or high traffic sites.

A heavy duty sliding bolt can be secured with a padlock to help prevent unauthorised access. Rather than removing hoarding panels to gain entry, this gate offers a practical and efficient solution for controlled pedestrian access while maintaining the integrity of the site perimeter.

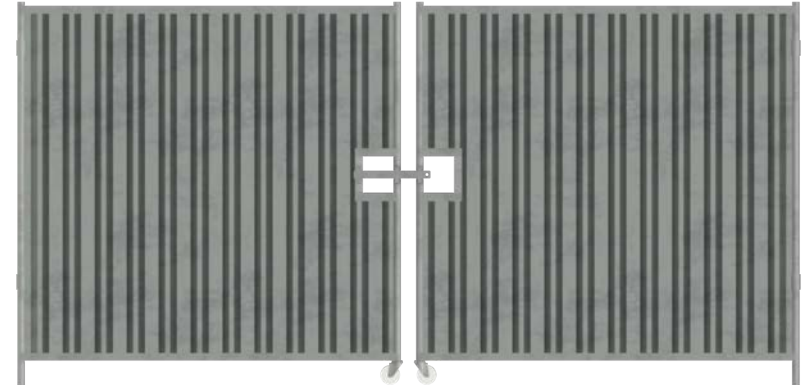

We can provide from 4m to 7m wide vehicle access gates depending on your sites and vehicle access needs. We also can provide any of these sizes with either a standard 2m or 2.4m high gate for additional privacy.

Description	Size (mm)	Weight (kg)
THS112400 – 4m* Hoarding 2m High Vehicle Gate – Galv	H2000 x W4000 x D40	60
THS112420 – 4m* Hoarding 2.4m High Vehicle Gate – Galv	H2400 x W4000 x D40	71
WFS152090 – 4m* Hoarding 2m High Vehicle Gate – White	H2000 x W4000 x D40	60
WFS152095 – 4m* Hoarding 2.4m High Vehicle Gate – White	H2400 x W4000 x D40	71

Key Features

- Ideal for construction site access
- Provides additional privacy and security for sites
- Suitable for high-traffic pedestrian access points
- Available in galvanised or white powder-coated finishes
- 4-7m wide gate options
- Available in 2m or 2.4m high gates

*Additional gate widths available. See further pages in this spec
