*SPECIFICATION SHEET*

# Hand Wash Station

SafeSite Facilities are pleased to introduce our new Hand Wash Station, it has all the required amenities to help keep your staff and members of the public safe from harmful germs.

The self-contained unit with an easy-fill 45 litre storage tank, provides enough water for up to 225 x 20 second hand washes. This unit is the perfect additional to any environment when taking preventative measures in the fight against Covid-19

The unit is suitable for both indoor and outdoor usage, weighing only 25kg when empty and Hand Wash Station is easily portable.
